SPECIFICATION:

Model	YM100	YM300	YM500	YM800	YM1000	YM2000	YM5000
Capacity (L)	100	300	500	800	1000	2000	5000
Material	SS 304						
Stirring speed	0-80RPM (Special to the material)						
Use pressure	ATM Mpa						
Component	Ellipsoidal head						
	Thermal head						
	Inner cylinder						
	Insulation cylinder						
	Mixing system						
	Accessories						
	Electrical machine						
	Electrical heating tube						
Rotary cleaning ball
